## On Eagle Wings

May He rest in peace.

Dennis Edell passed in April.

Tuesday, March 6, 2018 was a beautiful 70 degree day in Arizona. Jim and I got in our truck and headed up the mountain to Globe, AZ to meet Diane Theobald for lunch at Judy's Cookhouse Restaurant. We arrived a bit early and selected a table in a quiet corner. Before long Diane arrived and we exchanged hugs and more hugs.

While enjoying our lunch, we reminisced over past rallies, while laughing and tearing up over all our fond memories we had to share. We concluded our visit by presenting Diane with the beautiful wood motorcycle plaque, crafted by Paul LeFleur, in honor of Jack being a founding member of the International Northeastern Harley Davidson Dresser and Touring Assoc. in 1977. We also presented Diane with several 40-year anniversary rally patches and pins, along with a 40-year certificate.

Needless to say our luncheon turned into a three and a half hour visit and worth every minute of it! Diane is doing well and sends her best to all. Plans have been made to have another luncheon in 2019!
