Women Riders at the Geneseo Rally

We visited the Women's Hall of Fame during the Geneseo Rally, and with that in mind, it was nice to recognize and take a picture of our women riders (at one time or present) at the rally. Our own 'Women's Hall of Fame' you might say. You may be surprised to see some faces that you didn't know were motorcyclists in their own right. We do have several more women in the Association who ride. Congratulations to every one of you!

Front Row: Betty Adams, Red Weishorn, Mary Lis, Eileen Rogers

Back Row: Kay Youngs, Debbie Youngs, Melinda Sawyer (guest), Glennadine Gouldman, Sandi Hicks, Carol Lyons, Lynne D'Apice, Carole Cliborne, Marge Rudis, Karyn Franklin, Nancy Lis (guest), Sally Pavinski, Debbie Lis (guest), Ineke Pierpoint, Nancy Coburn, Carol Oblinger, Christina Saunders, Jan Travis

On Eagle Wings

Glenn Alan Henry, passed away March 24th, 2015. Alan was born in Erie, OH, He loved music and played guitar. Alan taught motorcycle safety classes for over 20 years and was a member of the HOG (Harley Owner's Group) of Dover, Ohio.

Rose Chandler Daniels, passed away at home in East Concord, NH, after a brief illness on July 18, 2015. Rose was a long time resident of Warner, NH, she spent her life enriching the lives of her family, friends and community, active in HOG, Girl Scouts, Cub Scouts, 4-H and Sunday School.

Greg Corcoran died June 4 after having fought a brave battle with pancreatic cancer since last September.

Alan, Rose & Greg will be missed by all of us.

We recently received a letter from Donna Panik letting us know that they would not be renewing their membership. She let us know that Bud has been sick for several years and has been unable to ride and they sold their bike to a friend. She wrote, "The Dresser Club is a 1st Class Club, we enjoyed everything we did with the club and we made so many wonderful friends. We miss everyone, many of them still keep in touch with us and come see us often. There comes a time in our lives that things change and ours has come, but life goes on. We will be married 62 years this April and we have had a wonderful life together".

Donna (Fay) Panik

Check Out the Harley Dressers Hand-Made Quilt

Betty Adams and Lillian LeFleur have taken the initiative to collect many Dressers rally shirts, some going way back, and engaged two New Hampshire quilters to have them made into a beautiful king size quilt. Betty and Lillian surprised us at the Geneseo Rally with the finished product, a gorgeous colorful tribute to our great Association, and it was displayed at our rally dinner for all to see. The squares of the artwork on the backs of the rally shirts cover the quilt on both sides, as well as other interesting pieces incorporated into the design. They sparked so many memories of good times at past rallies. We plan to auction or raffle the quilt at the 40th rally in 2017. It will be on display at the Christmas Party in Gettysburg in 2015 & 2016 and at our July 2016 rally in Fairmont, WV.

Geneseo, NY Rally – July 20-24, 2015

Our July rally took us north to the Finger Lakes region in western New York State. Geneseo, a beautiful small college town, was our destination for a week of riding with our friends. We looked forward to getting out of the New York metro area with the busy traffic we live with every day and enjoying the open roads in beautiful condition through farmlands, lakes and small towns. To make it even better, the weather was perfect with temps mostly in the 70's all week. This was a pleasant change from other July rallies.

Eric Groesbeck and dad and mom, Don & Jean, mapped out two great rides for us. One was to Sodus Point on Lake Ontario led by Don and Jean, and another led by Eric to Seneca Falls on Cayuga Lake near where they live to visit the Women's Hall of Fame. Eric rode 90 miles from home by Cayuga Lake for the Seneca Falls ride, rode 220 miles that day on the ride and back to the hotel, and another 90 miles home that night for 400 miles that day. That boy loves to ride! He rode 800 mi. that week for our rally. When thinking of our visit to the Women's Hall of Fame and illustrious women, it is fitting to recognize our women riders in the Dressers Assn. Look for a separate picture in this newsletter of all our women riders (past and present) who were at the Geneseo Rally. We enjoyed the rural roads, rolling hills, friendly people and lots of good stops for lunch along the way. There were two Harley Davidson dealers in the area, and both provided great lunches for us on two of the days. These are family owned dealerships handed down to the 'kids' from their parents, and they provided homemade foods for lunch and served us themselves. We visited Letchworth State Park which was voted the best state park in the country. Who would think there would be a big gorge with beautiful waterfalls hidden among the farms and rolling hills. The Genesee River cut its path through the area to Lake Ontario.

There is a lot to do in the area, and many members headed out on their own to see the sights. Judy Barillari, her son Lon and his girlfriend Mary led a ride to Niagara Falls for Jack and Donna LaCavalla, Christina and Cliff Saunders, Charlie and Sandi Hicks and daughter Mel the weekend before the rally began, as it was just ~70 miles west. Mel has attended other rallies with her parents, a really cool thing. She could ride with Sandi in the sidecar or on Charlie's trike. Bruce and Marge Rudis went to Batavia Downs Casino and the story goes that "he won \$14,000.00 and paid for an open bar". The real story is that they lost money. George and Ineke Pierpoint rode around Cayuga Lake and along Seneca Lake for an extended ride. Dottie and Skip Megee took in the Bully Hill Winery, John Ellis enjoyed riding and swimming and brought Canadian guests with him, Melinda and Steve Sawyer. The Sawyers also attended the Newburgh, NY rally in 2010. Tom Vacula said he stayed in his room with beer, ice cream and more beer. Were we supposed to ride? (I'm sure you did, Tom.) Karyn

Franklin had lots of nice naps and Nick and Lynne D'Apice liked Letchworth. Lynne said she enjoyed joining the PA crowd playing cards called "Screw Your Neighbor". The game room was well attended in the evenings. Bill and Barbara Taylor from Davenport, FL said they would like to bottle the cool weather at the rally and take it back to Florida where they have 95 degree days. Ed Tress and Joanne Whitsell visited the Corning Glass Museum.

Our very adventurous "Moose People" (Paul & Lil LeFleur, Dick & Betty Adams, Kyle, Debbie and Wayne Youngs and their guests Larry & Karen) rode the Whirlpool Jet Ride below Niagara Falls. They were told to bring a change of clothes so you can imagine how wet they were. By the way, Kay 'held the pocketbooks'. We welcomed Jimmie and Shirley Shinaberry to their first Dresser rally. They are friends of Cecil and Mattie Rose and live in Waynesboro, VA. They visited us at the Staunton, VA rally after they had just bought their HD trike in May 2014. Mattie loves to shop, and Cecil said he had to 'make sure Mattie spent some money'. Mary and Bob Lis enjoyed a family reunion with daughters Nancy from Syracuse, and Debbie and husband Don from Charlotte, NC. Both girls ride. Longtime members Gary and Ann Schipper celebrated their 56th wedding anniversary at the rally. We are very glad to welcome them back at Dresser events once again after a long recovery from their motorcycle accident a few years ago. Congratulations to you both! Did you know there is a Jell-O Gallery, the 'birthplace

of Jell-O'? It was close to Geneseo and many members stopped by. We had lots of trikes at Geneseo (we counted 15) with four new trikes from PA this year. Tee shirts were going fast at Stan's HD in Batavia. They had trikes on them and "Forever Three". Neat shirts.

We recognized our many veterans at the Friday banquet. Members who served stood up and gave their branch of service and year they left the service.

Our Charity contribution was to a local animal shelter at the suggestion of Jean and Jim Gagnon. Lollipop Farm Animal Shelter in Fairport, NY near Rochester was selected. Cathie Wright, their Public Relations person, attended our dinner and received our donation of \$200. from the Harley Dressers. Lolly Pop Farm maintains a gold standard of animal care, and it is a world class facility handling 13,500 animals/yr. with donations only and no tax dollars. We will also donate \$250 to Richards Coffee Shop in North Carolina in January.

Our raffle drawing was for \$6,400. Jan added to the suspense by playing with us before announcing the winner. It was to be a person in the room, a prior winner. Lightning has struck twice! Our winner was Red Weishorn. The 50/50 drawing was won by George Pierpoint for \$248. Congratulations to them both.

Many members assist us during the rallies and we very much appreciate their efforts. Our sincere thanks to Skip & Dottie Megee for running the 50/50 drawing, Nick D'Apice for offering the prayer before dinner, Lillian LeFleur and Betty Adams for organizing and handling the door prize drawings, Sonny Coburn for being our photographer, Linda King our Harley Dressers Friends Facebook page coordinator & for providing cards for signing to members needing our support. Thanks also to our ride leaders, Rich Feehan, Gaylord Coston, and Don and Eric Groesbeck. Thank you Jean & Jim Gagnon for thinking of a charity and investigating and visiting the facility before our donation, and to John Ellis for taking our charity lady on her first motorcycle ride the evening of the banquet.

We look forward to seeing you at our annual Harley Dressers Toys for Tots Christmas Party in Gettysburg, PA on Saturday, November 7, 2015. Ride safe.

Safety First! Ride Guidelines

- The Ride Leader will lead the group and the assigned Drag Rider will bring up the rear. It will be the Ride Leader's responsibility to ensure that no one gets separated. The Ride Leader should not exceed the speed limit.
- The Ride Leader will not start to pull out until the Drag Rider informs him/her that all of the riders are ready.
- All bikes will ride with head lights on at all times.
- The Ride Leader will hold his/her speed down and until all bikes have caught up.
- Bikes will ride staggered except on two lane roads. Move up to fill an empty space in the formation.
- If you plan to pull out of the group early, please let the Drag Rider know.
- Let autos cross through our lane. This will help relations between the auto drivers and bike riders.
- Bikes will line up in the following order: FL Bikes - Non-FL Bikes - Trikes - Bike/Trailers - Side sidecars.
